DAY 26

Hey! I finished early I mean I still need to edit it but yeah-

It's 4am! But that's pretty cool congrats man.

So your writing retreat worked, even with your noisy neighbor. You made your "magnum opus" or whatever.

It's more like my "brick" but thanks.

You still had distractions it seems. So did you really need to leave haha

I know I was being a "hipster" for going off to write in secret but it worked

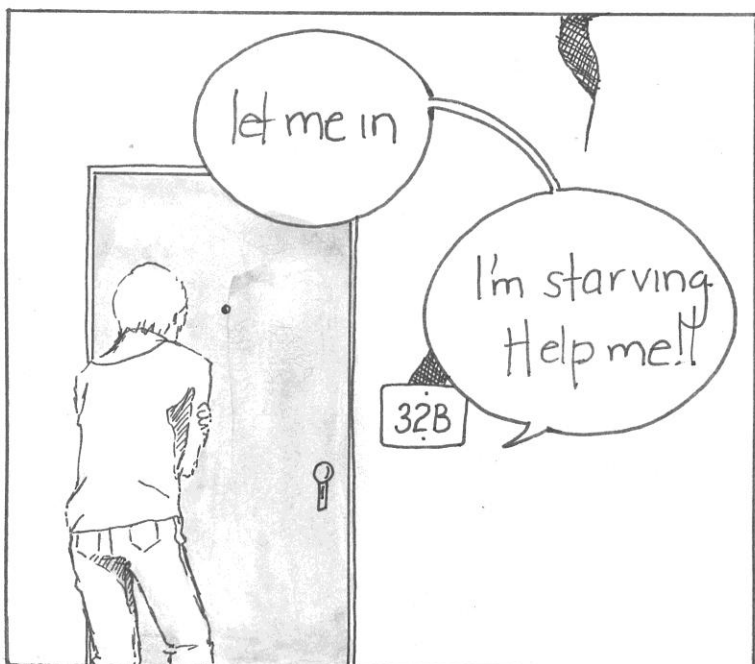

Sorry I know it's super late, I'll let you go, was just excited and a bit drunk

Hey it's awesome, can't wait to read it or see it on the big screen.

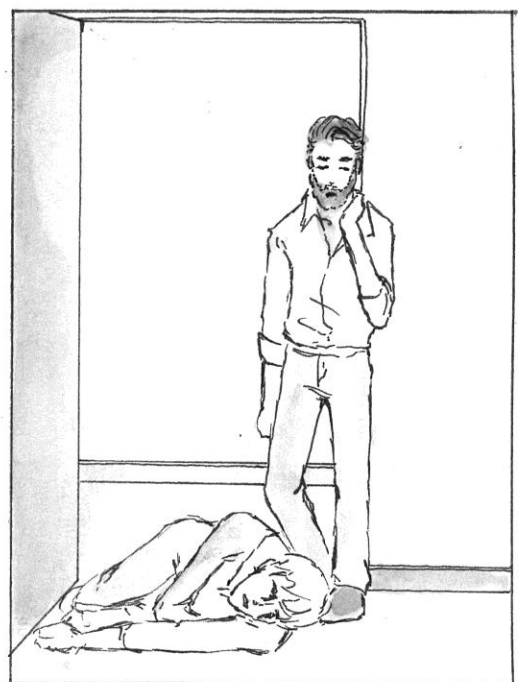

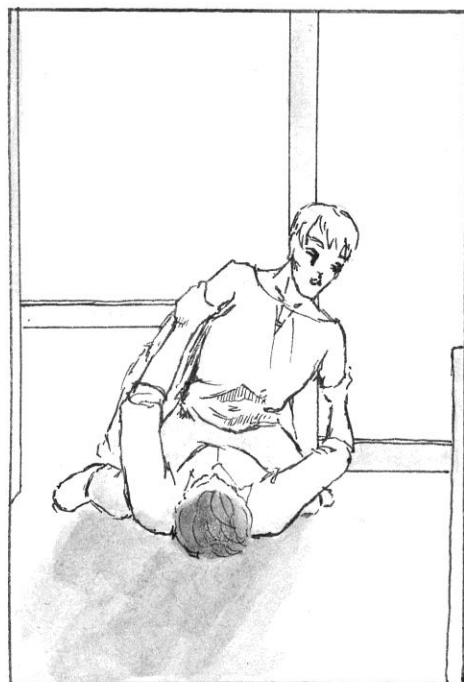

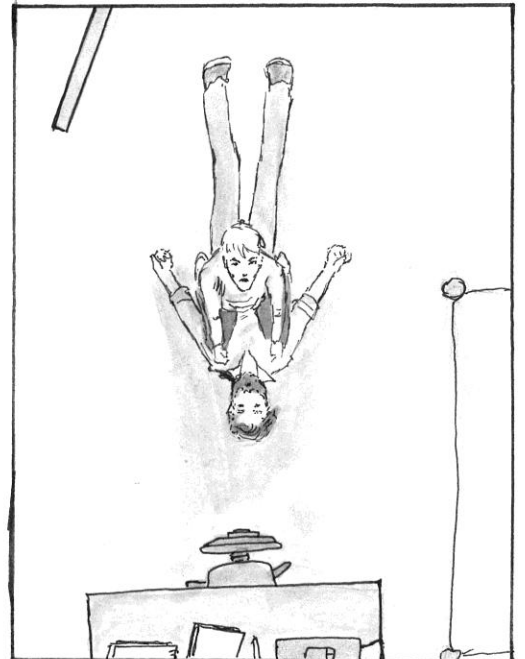

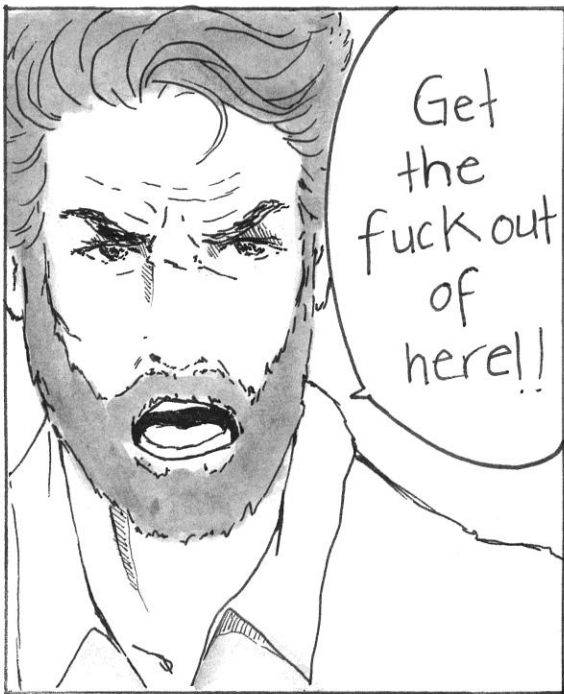

thanks... I'll see you in a few days.

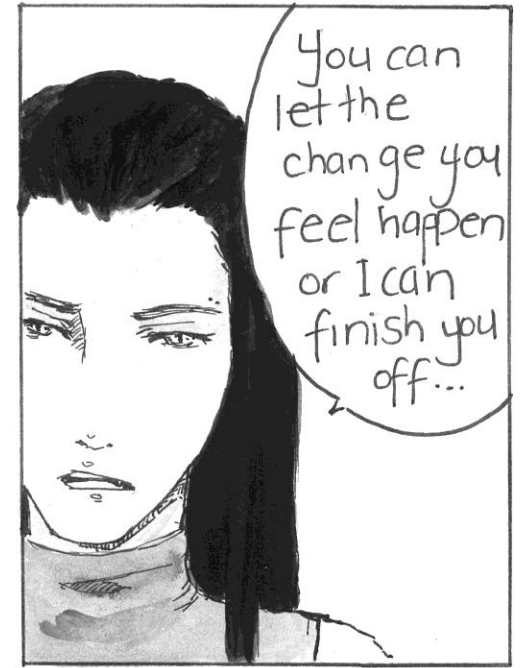

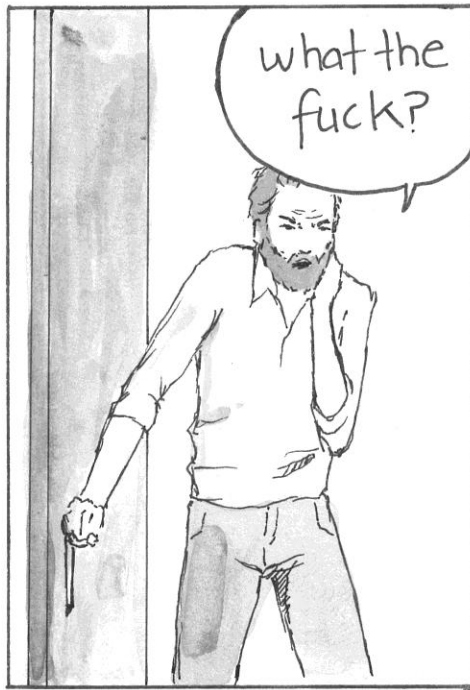

HELP ME!

I'm starving
